Get More Control, More Cost-Savings

There's a reason you've chosen to implement the smartest travel management model for your organization. As an ARC (Airline Reporting Corporation) accredited CTD (Corporate Travel department), you have more say in how you manage your corporate travel.

More control for you means more cost-savings for your company. So why not make the same smart choice when it comes to your travel technology solution?

Experience Proven CTD Leadership

Based on a 2009 *USA Today* report, more than 125 companies and organizations have fully accredited in-house travel agencies to better manage business travel and reduce costs. Sabre® and *GetThere*® have a proven track record as the leading provider of CTD travel technology.

From sourcing to delivery and audit, Sabre and *GetThere* offer unmatched solutions to meet the specific needs of today's CTDs. Here are just a few:

- **Broad Travel Content**
As a multi-GDS solution and part of the Sabre family, *GetThere* offers the most global content of any travel technology provider
- **Online Exchanges**
An intelligent, fully automated solution that allows corporate travelers to exchange a ticketed reservation online
- **Expense Integration**
GetThere offers integrated travel and expense management, enabling corporations to realize significant business benefits including process improvement, enhanced policy compliance and cost-savings
- **Traveler Tracking & Security**
Sabre Traveler Security & Data Suite allows corporations to quickly locate travelers worldwide and access detailed content, including travel plans and contact information
- **Mobile Solutions**
GetThere offers two solutions: a browser-based mobile itinerary management solution and *GetThere Mobile* powered by Tripcase, a downloadable app that provides post-booking management features like online check-in and calendar sync
- **Hotel RFP & Rate Audit**
Sabre Hotel RFP manages rate negotiations with an easy-to-assemble NBTA-compliant RFP package, hotel mapping, RFP package delivery, rate negotiation and final contract creation. Rate Audit ensures the rates you've negotiated are the rates you're paying
- **Meetings Management**
GetThere Meetings Management provides a one-stop shopping experience for any employee who plans a meeting, from dedicated professionals assembling larger groups to front-line employees creating small gatherings

Experience Even More from GetThere

CTD Management is just one innovative offerings comprising the complete *GetThere* travel and collaboration solution. A majority of the FORTUNE 200 and the BTN Corporate Travel 100 rely on *GetThere* to streamline processes, improve supplier and contract management, and achieve ongoing and sustainable savings in corporate travel spend.
