

# OPTIMIZE YOUR TRAVEL BUSINESS BY LEVERAGING THE EXPERTISE OF GETTHERE SITE MANAGEMENT

GetThere Site Management provides customers with the necessary tools to drive strategic value across their GetThere environment. Backed by 99 percent customer satisfaction, Site Management is a proven service used by the most successful GetThere customers to enhance travel policy, drive user adoption and support preferred vendors.

GetThere site managers have extensive travel industry knowledge, an excellent understanding of the GetThere tool, TMC environment and GDS, and are an excellent resource for consulting.

## WHAT'S IN IT FOR YOU

**CONSULT** with a GetThere expert on best practices to ensure optimal site configuration

**QUICKLY UPDATE** messaging as the travel industry and customer programs evolve

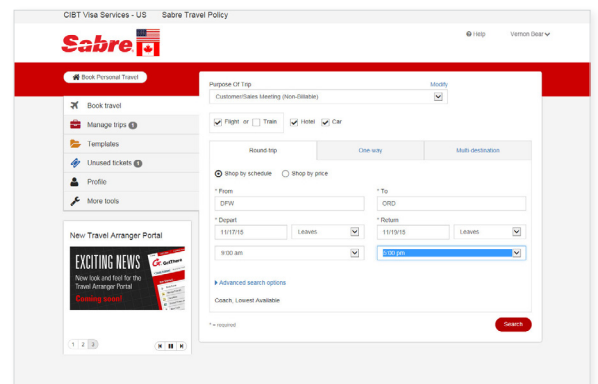

**GAIN FLEXIBILITY AND EFFICIENCY** by relying on site managers to correctly complete site tasks

**SAVE MONEY** by leveraging less costly services than employing internal resources

**WORK IN PARTNERSHIP** to achieve high touch-less rates and smooth deployment of new features

## HOW IT WORKS FOR YOU

Leverage a highly qualified site manager to support, configure, deploy and troubleshoot your site to ensure the best user experience for your customers.
